Technology Simplified !  
**Smart Switch**  
User Manual

**Installation Instructions :**

1. Cut-off the power before Installation for Safety.
2. Use of Neutral wire is mandatory for Connection.
3. Connect wires according to the wiring diagram.
4. **Touch Switch** : Place the switch in the switch plate.

**Retrofit Module** : Place the Retrofit Module behind the switches. Fit the Switch board.

5. Turn on the power supply and follow next section instructions for App configuration.

**App Configuration :**

1. Download Smart Life App in your smart phone and complete the One-time Registration.
2. Make sure Mobile Bluetooth is Turned On & connected to your Wi-Fi network 2.4 Ghz Frequency.
3. Set Wi-Fi Router at 2.4 Ghz
4. Check if Small Blue LED light is blinking (= switch is in configuration mode)

5. **Touch Switch** : If small Blue LED is not blinking, then please press any switch icon for 15 seconds continuously till the LED starts blinking.
6. **Retrofit Module** : If LED is not blinking, then please turn on & turn off any 1 switch quickly and continuously for 7-8 times till the LED starts blinking.
7. Open the Smart Life App, select "+" button on the top right corner to Add Device.
8. You can either use Auto Scan option to select the switch automatically OR to Add switch manually, Go to Electrical section, scroll down to Switch and select Switch (BLE+ Wi-Fi).
9. App will prompt for Wi-Fi ID and Password. Please enter the same.
10. Please wait till the App completes configuration - Blue LED should stop blinking within 20 - 180 seconds - means the Linkage is completed.
11. You can rename the added switch as per your wish.
12. Click "Done" to complete the configuration. You can now operate the smart Switch using Smart Life App.

**Voice Assistant configuration :**

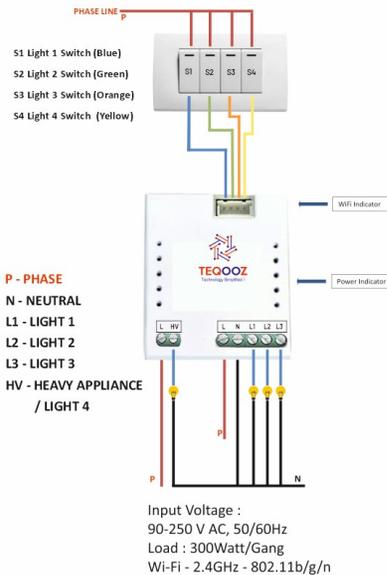

**Alexa Set-up :**

1. Download & Register Amazon Alexa app in your phone.
2. Select Skills & Games, search and link with "Smart Life App".
3. After Successful linking, ask "Alexa discover my devices" and Alexa will show all discovered devices.
4. This completes the Alexa linkage. If any device was not discovered, please check internet connection and repeat the process as stated above.

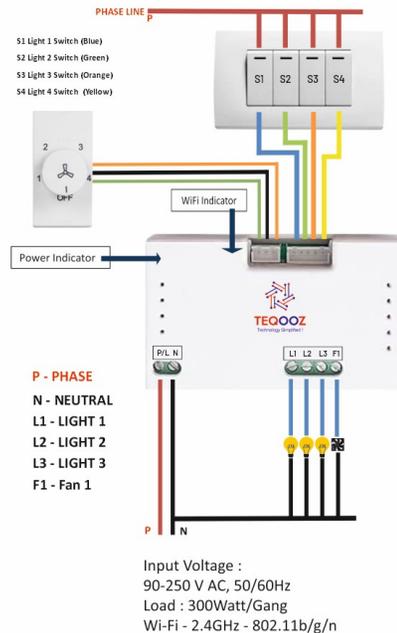

**Google Set-up :**

1. Download Google Home app in your mobile & Register.
2. Open the App, select "+" button on the top left corner to "set up device" and select "works with Google".
3. Search and select "Smart Life App", it will link your switches automatically.
4. This completes the Google Home linkage. If any device was not discovered, please check internet connection and repeat the process as stated above.
